Dear Dr. Sommer:

I sincerely appreciate your willingness to participate in our CIA Guest Speaker Program. We have scheduled your lecture, "The Two Germanys in Tomorrow's Europe," for 3:00 p.m., 11 April, at our Headquarters Auditorium in Langley, Virginia. [REDACTED] who looks forward to seeing you again, will assist with the arrangements for your visit and will be writing you. I hope that you will be able to join us about 11:00 a.m. on the 11th so that there will be an opportunity for some discussion and luncheon prior to your lecture.

Thank you for your kind remarks about my appointment.

I know that our informal discussions as well as your formal presentation will be stimulating and helpful both to me and to the analysts and managers of the Intelligence Community.

Yours sincerely,

/s/ Stansfield Turner
